

Car-Truck Crash Kills City Man

3 Other Edmonton
Residents Hurt
In Road Accident

CALGARY, Sept. 2.—(CP)—One man was killed and three persons were injured, two seriously, when the car in which they were riding was in collision last night with the rear of a truck on the Edmonton highway about four miles south of Olds.

Dead: Samuel T. Robb, 9620-96 Street, Edmonton.

Injured: Charlotte Diehl, Edmonton, in Olds hospital with a fractured pelvis.

Mrs. John Loveston, Edmonton, in Diabery hospital with a possible broken wrist, possible fractured ribs, cuts and severe shock.

John Loveston, Edmonton, in Olds hospital with bruised and shock.

Mrs. Diehl was reported to be in the most serious condition of the injured.

RCMP said that Loveston was driving south when the car crashed into the rear of a truck driven by Frank Hilt of Calgary.

The front of the car smashed under the front of the truck.

An inquest into Robb's death opened today at Olds.

Canuck Boat Out of Race

DETROIT, Sept. 2.—(UP)—McDonald's trouble forced withdrawal of the Canadian entry in the international Harmsworth speedboat race today, making the final heat of the classic an "all-American" event.

Harold Wilson of Ingersoll, Ontario, announced that his sleek Mac Canada IV would not be able to compete in the challenge of the three boat American team on the Detroit river.

The Canadian craft was a disappointment yesterday, she ran fourth behind all three American boats, Wilson blamed a loose steering gear for the poor showing.

RE-NAMED COACH

FORMER EDMONTON boy Bill Carse, has been reappointed as coach of Vancouver Canucks in Pacific Coast Hockey League. Carse piloted Canucks to finals last year as player-coach but will devote full time to coaching duties this season.

Argos Beat Als 26-6; Hamilton Beats Ottawa

MONTREAL, Sept. 2.—(CP)—The under-dog Toronto Argonauts, giving an unexpected display of strength, trampled Montreal Alouettes 26-6 in their first Big Four football meeting of the season.

Bill Bane, of Montreal, carried off the game with a 147-yard run. He was joined by Alouettes' quarterback, Al DeKobler, who carried off the game with a 147-yard run. He was joined by Alouettes' quarterback, Al DeKobler, who carried off the game with a 147-yard run.

Hamilton's victory over Ottawa was a 26-6. The game was a close one, with Hamilton leading 14-0 at halftime. Ottawa's defense was unable to stop Hamilton's offense, which scored three touchdowns in the second half.

Yanks Drive Red Troops Over River

TOKYO, Sept. 2.—(AP)—Reinforced American troops drove the shattered remnants of two North Korean divisions back across the Nam river late Saturday night, smashing one prong of the Communists' major three-day offensive.

Victorious U.S. troops counted a toll of 10,000 Red casualties on the southern front. American navy planes, strafing and rocketing the Reds as they fled across the river, added to the toll.

All along the blazing 120-mile front United Nations forces seized the initiative from the 250,000-man Communist juggernaut.

Late News Flashes

NO CHANGE

OTTAWA, Sept. 2.—(CP)—Prime Minister St. Laurent said today in the Commons the government has given no consideration to changing the official day of the Canadian dollar.

LONGER STAYINGS

OTTAWA, Sept. 2.—(CP)—The Commons voted 98 to 44 today in favor of a motion by Prime Minister St. Laurent that it step up its working schedule to three sitting days beginning Monday for the duration of this emergency session.

EIGHT KILLED

MILWAUKEE, Wis. Sept. 2.—(AP)—A head-on crash between two electrified interurbans has claimed an estimated 200 model railroad enthusiasts, claiming at least eight lives and injured some 50 persons today.

STRIKE SPREADS

NEW YORK, Sept. 2.—(AP)—A wildcat strike among National Transway Company employees flared into such widespread proportions late today that officials of the company division of the Canadian Brotherhood of Railway Employees and other transport workers (CBR) called a meeting for tonight.

An official of the union said "The night shift will report back."

NEW YORK, Sept. 2.—(AP)—One engine of the four-toned Trans World Airlines plane which crashed and burned near Cairo Thursday apparently lost from the plane in flight, a Trans-World Airlines spokesman said today.

Fifty-five persons, including 23 Americans, perished in the crash.

But the Communists still posed at least one serious threat to the front.

Two Teams Share Soccer Leadership

LONDON, Sept. 2.—(Reuters)—Arsenal and Huddersfield Town today shared the leadership of the English soccer league.

The gunners whipped Sheffield Wednesday 5-0 in a sparkling display while Huddersfield downed Chelsea 2-1.

The results left the leaders with eight points from five games each.

In the second division Manchester City and Birmingham remained deadlocked for the lead with nine points apiece.

Birmingham beat Ipswich Town 2-0 while Manchester edged Queen's Park Rangers 2-1.

LOSE RECORD

Nottingham Forest lost their unbeaten record in the third division, losing 2-1 to Burnley.

The team, which had won 10 games in a row, lost to Burnley 2-1.

Readers Agreed On Defence Need

World Peace Said to Depend On Strength of Free Nations

OTTAWA, Sept. 2.—(CP)—Canada's top political leaders agreed that world peace depends on the willpower of free nations to strengthen their armed forces and unite against any possible aggressor.

They made that clear in the Commons yesterday during a debate on the address in reply to the speech from the throne. The debate saw the Progressive Conservative and CCF parties move motion calling for more confidence in the government for having "taken the proper steps for the defence of Canada."

Prime Minister St. Laurent, defending the government's defence program, said he felt that if the United Nations could demonstrate during the next 10 months that they could be united action, effectively put down aggression, "we can look forward to a long period of the absence of war—no more wars."

George Drew, Progressive Conservative leader, said that some look on the war in Korea as preliminary to a world war. He held the firm conviction that it could be the very opposite, because of the swift, united action of the free world.

Mr. J. Caldwell, CCF leader, also expressed his faith in united action, but said that more than military aid is needed for opposing aggression. They needed food to feed the hungry masses and economic and financial aid to improve living standards.

Solon Low, Social Credit leader, said war could be prevented through united action. He suggested that once the trouble in Korea ended the United Nations could be a brigade—not in the military sense—of men who would go out and put the spotlight on the real causes of civilization—those who do not want peace.

PEAKES SPEAKS
When the debate swung to the back benches, a voice of the two was heard—Mr. J. G. Peakes, YC (PC-Nebraska)—said Canada is wide open to attack and that attack could be made far greater magnitude than the diversionary raids the government says are the only logical threat to this country.

Gen. Peakes, wartime Pacific command and commander of the Canadian army, said that the dispatch of three destroyers to Korea left British Columbia with three jet planes and one training ship—the cruiser Ontario—to protect its long shoreline.

There was no American fleet, there was nothing to prevent the Russians from landing a force, said at Prince Rupert, before any effective strength could be marshalled against them.

Replying to non-confidence motions to be voted on at conclusion of debate, Mr. St. Laurent said it will be for the House to say whether the government could be brought down by its full program, but done enough.

The prime minister followed Mr. Drew, who contended Canadians were "amused and disturbed" to find their defence so inadequate at the time of Korea, that they were wondering what had been done with the \$150,000,000 voted for defence since 1945.

Mr. St. Laurent said that a house defence committee be appointed at once, and that it report as soon as possible to Parliament recalled for that purpose.

The Progressive Conservative party was anxious to do it in order to co-operate with the government at this difficult time, but it could only co-operate to the extent that it was informed of what the government planned.

Mr. St. Laurent said the government should be dismissed if Mr. Drew's accusations in the motion of non-confidence were true. He did not think they were true.

He again turned down the request for a defence committee. The cabinet itself was a defence committee of Parliament, it recommended the steps it felt were proper as was the Canadian system.

Rycroft Hit By Tornado

(Continued from page 1)

FOUR LAYERS OF CLOUD

"The whole thing looked like four layers of cloud and below was a long snout, which was 'twisty' at the bottom."

The clouds were black and the rain was rather poor. "When it was all over there wasn't a scrap of paper on the street."

About a quarter mile east of Rycroft, the wind wreaked havoc among 35 empty box cars parked on a siding.

The twister struck in all its fury, and the row of 38 cars, the first of which were left standing and the seventh was twisted about onto the main track.

Then, another 12 cars were uprooted and the next 12 were upset on the north side of the track.

The remaining seven cars were carried down the tracks by the force of a half a mile onto the main track.

After the storm, workmen and townspeople were able to look out over the main line and return the seven runaways to the siding.

Serious damage was caused at the Department of Public Works storage lot. The twister upset the storehouse and a caboose on wheels, spreading the stove, bed, and other contents over a wide area.

Some lumber in the yard was blown as far as a half mile away. "Everything was just scattered in every direction," Ernie Henderson, general manager of the yard, said glumly.

ROOF RIPPED OFF

Half the flat roof of Rycroft school was blown off eight inches from the frame building. Chimney of the United Church was destroyed and windows blown in.

Two homes owned by Ed Garvin was blown over on its side. The bachelor was away and no one was injured.

Terror was struck into the hearts of John Glidew and his son, Jim, when they were caught in the open by the oncoming terror. Glidew saved his life by grasping a post, and his son lay huddled near Rycroft School until the winds abated.

A farm housewife, west of Rycroft, reported a door was torn out of the hands of her daughter. It was carried through the air by the winds, and sheared off several trees like the sharp blades of a scythe.

Reports from farmers west of Rycroft indicate considerable damage to grain, granaries, machinery and crops.

LUMBER SWEEP AWAY

Tom Badiu, a farmer east of the village, said 600 feet of lumber had been swept from his farm and spread over the countryside. Most of the boards were smashed and splintered by the force of the storm.

The twister also cut a wide swath through his fields, completely destroying the stock.

At Spirit River, eight miles west of Rycroft, there was little report of damage.

"I was told that it was really a cyclone," said Barry Halpin. "A farmer who boarded the train at Wainman said he noticed the storm cloud as he was driving in. It had a cigar-like tail suspended earthward."

TRAIN DELAYED

"At the time the twister hit Rycroft," continued Mr. Halpin, "I was lunching in a cafe while awaiting the train to return from Spirit River."

"The wind seemed strong for about an hour and I carried paper and dirt about, but in less than five minutes the wind and rain stopped."

Woman Back From 'Dead'

(Continued from page 1)

WATERBURY, Conn., Sept. 2.

(AP)—A woman who neighbors believed died 12 years ago, was found today, an apparent prisoner of her brother, police said.

The woman, 50-year-old Elizabeth Galligan, may have been a prisoner for as long as 25 years, investigators reported.

A tip from pumpled neighbors led police to the home of the woman's brother, Bernard Galligan, 60.

AT WINDOW

Police neighbors reported that they thought they had seen the woman at a window during the last 12 years. "I had been told to believe that she died 12 years ago."

Officers went to the Galligan home this morning. In reply to an inquiry as to his sister's whereabouts, the brother said she had been in a small back room.

Elizabeth, a grey-haired woman with bobbed hair, opened the black, was seated on a bed.

AWED BY BUDES
Miss Galligan was described as "awed" by the sight of police and trucks as police took her to headquarters.

They questioned the woman's brother under a holding charge of breach of the peace.

They questioned the police report, developed no explanation of why the woman had been kept in the house.

1 Dead In Wreck

GALLIPOLIS, O., Sept. 2.—(UPI)—A bus carrying 30 members of the Grand Rapids, Mich., baseball team crashed into an automobile here last night, killing one person and injuring three others.

Old, Old Story

PORT WORTH, Sept. 2.—(AP)—John J. Hays, 89, announced today as the world's oldest man, turned 100 today.

The famed housewife, west of Rycroft, reported a door was torn out of the hands of her daughter. It was carried through the air by the winds, and sheared off several trees like the sharp blades of a scythe.

Reports from farmers west of Rycroft indicate considerable damage to grain, granaries, machinery and crops.

"This secretary should be capable—she answers to my Bulletin 'Want Ad' as sealed with a kiss."

Truman Calls For Millions

(Continued from page 1)

WASHINGTON, Sept. 2.—(AP)—President Truman's call for a \$900,000,000 American fighting force to block the path of Communist aggression pointed today toward greater spending, higher taxes and larger draft calls in the United States.

The plan for a broader mobilization, announced in a broadcast last night, drew quick pledges of congressional support. And Truman said "further increases may be required."

To "arm... more quickly," he said, the U.S. must step up sharply production of guns, tanks, planes and other military equipment, increase stock piles of vital materials, expand war-production capacity, work hard and sacrifice.

With this program, the President coupled a warning to Russia against underestimating American might the way Hitler and the Japanese generals did. The U.S. has the ability and resources, he said, and let "would-be aggressors" make any mistake about that.

The armed strength of the U.S. has been about 2,500,000 men. The goal has been an increase to about 2,500,000 by the middle of next year.

The ready support in congress for a still-higher figure underscored another "clenched-fist" presidential warning.

"There will be no profit for any people who follow the Communist dictatorship down its dark and bloody path."

CRIM WARNING

Americans Rout North Koreans

(Continued from page 1)

UNITED NATIONS BEACHHEAD

They were reported mopping up to exploit the defeat of nearly eight miles near Chongchong on the Second Division's southern flank. The Reds scored their biggest gain there in the Changnyong bulge, reformed their front line.

Counter-attacks Saturday appeared to have halted the Red advance across the Nakdong. The division central and southern sectors, which had been split by the force of the original Red assault, rejoined their front line.

ENCIRCLE KIGYE

In other United Nations offensive: South Koreans almost encircled Kigye, northwest of Pohang and pushed Reds back north of Taegu, central UN communications center. The U.S. Cavalry attacked a key height west of Taegu, locked a key height west of Taegu, locked a key height west of Taegu, locked a key height west of Taegu.

Superior forces on Okinawa joined the American air in direct support of ground troops. The four-engine bombers, which had been used to drop 700 tons of bombs at three main Red concentration points back of the western wall—Kumchong, Chingju and Kheungheung, were "excellent."

The Eighth Army said an American force, still attacking, had broken a mile west of Haman, recaptured forward bastion guarding the gateway to Pusan, major UN supply base.

Confused fighting had swirled around Haman earlier in the day.

The Reds broke and fled across the Nam River, leaving behind them tanks, smashed head-on into a North Korean attack Saturday morning and shattered it.

Its momentum carried the Americans into Yongju. AP correspondents said the town was in flames as the tanks rolled into it. They disappeared in the clouds at Kheungheung.

The 2nd and fresh reinforcements and thundering columns of tanks, smashed head-on into a North Korean attack Saturday morning and shattered it.

Its momentum carried the Americans into Yongju. AP correspondents said the town was in flames as the tanks rolled into it. They disappeared in the clouds at Kheungheung.

The 2nd and fresh reinforcements and thundering columns of tanks, smashed head-on into a North Korean attack Saturday morning and shattered it.

Its momentum carried the Americans into Yongju. AP correspondents said the town was in flames as the tanks rolled into it. They disappeared in the clouds at Kheungheung.

Pedestrian Is the Last Mr. Courtesy

Traffic courtesy is a two-way business. It takes courteous pedestrians as well as motorists to ensure safe, efficient traffic movement.

The final Mr. Courtesy award of Safety Week was presented to Gordon Johnstone, 10248 - 85 street.

Mr. Johnstone, who walks with a cane, was observed at 101 street and 120 street. He arrived at the intersection after the light had turned green. Instead of attempting to cross before the light changed, he waited until it turned green a second time and then started across. When he crossed, he carefully obeyed the law and kept to the right hand side of the crosswalk.

"I know it takes me just about the full time the light is green to get across," he explained. "Instead of taking a chance, I always wait for the light to change again."

TIP FOR OLDESTS

There are lots of people who don't move as fast as they used to, he commented. "Rather than take a chance of stopping traffic, they ought to wait a few moments on the curb."

And going too fast is just as bad as too slow. Too many people seem to think they're invulnerable. "I've seen a big improvement in pedestrian manners, though, during the past year," Mr. Courtney commented. "It's not bad, though, that more people can't learn to keep to the right of crosswalks. It would make things a lot easier for everyone."

The Mr. Courtesy award is sponsored by AHA, Chamber of Commerce and Edmonton Safety Council. It was presented daily through Safety Week by a "Busin' Staff" member cruising the city.

"COUNTRY FAIR" at Glenora playground yesterday afternoon drew crowd of about 100 youngsters who partook in almost every novelty attraction. Operator of "Put-a-penny-in-the-potato" stand, 12-year-old Lorne Ross, 91 St. George's Crescent, watches carefully as Tony Best, 1407-104 avenue, and Howard Jersper, 515, demonstrate their skill. Idea of game is to drop penny through slot into cup-shaped carved potato which would result in return prize of two pennies.

Canada's Greatest Shoot Marks Edmonton Weekend

Edmonton Gun Club is shooting the "works this holiday week-end. Deserve trophies from many sections of the continent. It will compete, record-shattering prize awards, expected to total \$5,000, tomorrow and Monday.

Tomorrow (Sunday) evening, citizens of Edmonton and Northern Alberta will have the chance to share in the big \$5,000 added pot of gold and feast on prize-winning Alberta steaks to hearts' and stomachs' delight.

OLD-STYLE BARBECUE—An old-fashioned, open pit range-style barbecue, will be open to all on the gun club site, just one quarter mile west of the city limits on the paved Jasper highway. Barbecue starts at 6 p.m.

Those attending the barbecue will have a chance to share in the Calcutta pool by picking winners in the pool handicaps to be run off on Monday afternoon.

Northern Alberta's King of the Barbecue, Alex Bodnaruk, will preside at the feast. He has guaranteed twice as much as the hamburger man can eat of tender, juicy beef to every person attending.

There'll be haunting western music to add flavor to the succulent meat. Baked beans will top things off.

Barbecue will go on, rain or shine. If it rains the feast will be moved to the club house.

Road signs along the Jasper highway will guide the public to the barbecue pit.

The Calcutta pool will be shared on the basis of 40 per cent for the trophy-hunters, competitors and 60 per cent for members of the public who enter the auction.

The basic \$1,000 prize money for competitors is being contributed by the Edmonton Gun Club.

HANDSOME TROPHIES—In addition, the trophy-hunters will compete for handsome silver trophies.

Barbecue tickets will sell for one dollar each, less than the average price of a simple meat dish at any restaurant.

Net proceeds of the tournament and Calcutta pool will be used for building a club house, a shooting range for youngsters and other improvements to the premises.

The tournament is attracting some of the outstanding marksmen in Canada and the western United States.

For instance, there's Jimmy Gullus of Saskatoon, known far and wide in the sport as Ham and Egg Jimmy. George Genereaux, the big shooting wonder, who scored a 10 in the Grand American tournament. Bud Seed, an ex-champ from the coast, and Jimmy Robertson, three-time Pacific Coast champion.

There will be a large number of competitors from central Alberta and from Calgary. The Edmonton Gun Club team is expected to make a fine showing. It is composed of Bill Loshlin, Bill Davis, Bill Majeau, Bill Hedley and Walter Matheson.

OPEN TO ALL—The tournament is open to all and will be so arranged on a handicap basis that every entrant has a real chance.

Officials and members of the Edmonton Gun Club have been working hard to get things lined up. A power plant has been set up for lighting and refreshment booths have been moved to the club site.

It will be the biggest shooting event in Canada's history.

EDMONTON BULLETIN, Saturday, Sept. 2, 1950

Record Traffic Seen On Holiday

Thousands Set to Travel On Summer's Last Holiday

Edmonton's population will decrease by a few thousand as residents journey to holiday resorts for the Labor Day week-end.

Old Jasper, Jasper and Banff are the destinations of many. CNR and CPR both report operations back to normal. "And a very good thing," stated a CNR official. "Station was packed all day Friday with people making reservations."

He said many of the crowds were people held up by the strike. "But there were also plenty of holidaymakers."

Extra coaches are in readiness for any great influx of passengers at the city bus depot. The depot reported little advance booking, but expects a busy week-end.

City dwellers will also take to the air this week-end. Edmonton Flying Club anticipates a large number of amateur flyers hiring planes, weather permitting.

With Labor Day week-end comes a grave reminder from Walter Blake, manager of Alberta Motor Association.

"For many years this holiday week-end has been a bad one for road accidents," he said. "I hope traffic consciousness displayed by citizens during Traffic Safety Week will be carried on for the holiday."

TULSA — Tulsa lost its first doubleheader to the Texas League, since July 30, 1948, when it bowed to Houston in a loop contest double bill on June 2.

SCOTTISH LEAGUE CUP Division A: Dundee United, 2; Dundee City, 1. Division B: Dundee United, 2; Dundee City, 1.

WORKERS GET PAY INCREASE

A four-cent-a-hour wage increase has been granted workers employed by the Miraflores Ltd., wholesale hardware warehouse, in an agreement signed between the company and the Wirehousemen's Union (AWFUA).

The wage increase brings the minimum wage rate for warehousemen with one year's service to 83 cents an hour. The union had been seeking a seven-cent increase.

William Moss Dies at Home Office manager of Canada Packers Limited for the past 13 years, William Moss of 1048-110 street, died at his home last night.

He was an official of the company for 38 years. He was transferred here from Montreal in 1939.

He was born in the Orkney Islands, Scotland, and came to Canada in 1911.

Surviving are his wife, a son, Howard, and a daughter, Mrs. Dorothy Atie of Edmonton.

Funeral services will be held Tuesday, at 2:30 in the McInnis Funeral Home. Burial will be in Edmonton Cemetery.

Admits Theft A young Edmonton man yesterday admitted taking a \$500 diamond ring Thursday while the McInnis store clerk was out of the store.

The accused, James A. McCarty, was remanded for sentence to the jail.

All-Weather Army House

A house that's comfortable in almost any weather will be tested soon in the Yukon. It, one of the houses built by the Canadian army, has its own built-in heating, electric power and water supply and can be erected in a few hours. It is especially designed so it can be used in any climatic conditions found in Canada. It will withstand 100 mile per hour winds.

Pre-fabricated and known as the Arctic Hut Model III, one of the houses is being sent to Donkey River on the northwest highway system for testing.

35 Per Cent Boost In Bank Clearings Bank clearings for August were up 35 per cent over last year, Edmonton clearing house reported yesterday.

Clearings for the month totalled \$112,215,000 as compared with \$82,377,200.

Total for the final week in August was \$21,642,200 as compared with \$16,085,200.

Soapbox Derby Set Monday

Final arrangements for the fifth annual Soapbox Derby have been completed. Big event will get under way on 35th street, Monday on McDonald hill.

Thirty-five entries are lined up and the contestants are confined to line up at 1 p.m. for inspection. Various prizes are at stake for the buggies.

The United States has about 29 per cent of the world's railway mileage.

Special UN Meet Asked of Council

U.S. Wants Charges Probed On Bombings of Manchuria

By A. I. Goldberg

LAKE SUCCESS, Sept. 2.—(AP)—The United States sought today to have a special Security Council meeting called early next week to order an inquiry into Red China's charges that U.S. planes bombed Manchuria.

The move followed the speed-up program of the council under its orders as first on Tuesday's scheduled meeting, Britain's Sir Gladwyn Jebb, who took over the job yesterday.

Russia's Jakob A. Malik, who had the post in August and blocked council action on Korea for the whole month, tried to slow up the council from his delegate seat and partially succeeded.

Jebb managed to get Ambassador John M. Chang of the Republic of South Korea to seat at the council table before Malik could object. When Malik did object, the council voted him down 9 to 1.

Yesterday's long debates, however, kept the U.S. from introducing a resolution calling for appointment of a two-man inquiry commission, composed of representatives of Sweden and India, to look into the charges that U.S. planes dropped bombs and killed Chinese north of the Korean border in Manchuria.

The council took a week-end recess that will continue through Labor Day Monday. Its next regular meeting is Tuesday afternoon. Further discussion of the Korean conflict and condemnation of North Korea's two-month long defiance of UN cease-fire and withdrawal.

Banker Named

LONDON, Sept. 2.—(Reuters)—Sir William Wiseman, partner in a banking company, has been appointed representative in the United States of the British dollar board, it was announced yesterday.

UNIDENTIFIED G.I. whose machine-gun emplacement is located near South Korean port, takes few minutes out for recreation. Piled-up sandbags make fine diving board, even if bathing trunks aren't included in his equipment.

Rail Building to Ungava Will Start This Month

QUEBEC, Sept. 2.—(CP)—Work will start this month on a 300-mile railway line to Ungava, part of a \$100,000,000 project for mining and development of the rich iron deposits.

Premier Dupont, at his weekly press conference yesterday, described developments of Ungava's iron wealth as one of Quebec's "greatest enterprises."

He said that Hollinger North Shore Exploration Company already has spent \$10,000,000 on preliminary development work. Details of Ungava operations were supplied the premier this week by Julia Timmins, W. H. Durand and J. Banks, three Hollinger officials, he said.

U.S. Ready to Confer On Jap Peace Treaty

WASHINGTON, Sept. 2.—(AP)—Five years after Japan's surrender, preparations for a Japanese peace treaty have reached a stage where the United States is about ready to talk terms with other Pacific war victors.

Qualified diplomatic informants yesterday said preliminaries have been completed in readiness for the New York meeting of the Western Big Three.

What to do next about Japan is one of the major decisions confronting the British, French and American ministers. The three-day talks start Sept. 12.

Whether the U.S. administration favors going ahead with the drafting without Russia and Communist China—assuming they are invited or refused to take part—is one of the unanswered questions about the American official position. Russia and Nationalist China are among Japan's conquerors.

SNAGS IRONED OUT
But American authorities made it clear there now is a definite intention to press for prompt action on the treaty.

The formal Japanese surrender was signed just five years ago today, Gen. MacArthur, since then the supreme military commander of the islands on behalf of the allies, declared on the eve of the anniversary that the occupation has achieved its aim.

The victors' task is to wind up the occupation now its administrative policy.

Greek Contingent

ATHENS, Sept. 2.—(AP)—Greece has sent a brigade of soldiers to fight in Korea, a cabinet source said yesterday.

RC Bibles To Be Placed In Courtrooms

HULL, Que.—(RUP)—Clerical officials here plan to have Roman Catholic Bibles available in all courts because members of the Catholic clergy refused to swear upon Gideon bibles that formerly were used.

At a recent inquest, Father Paul Desjardins refused to take the oath on a non-Catholic bible and swore on his cross and beads instead. Later, he instructed a nun, Sister Marie Angeline, to do the same.

The jury recommended that a Catholic Bible bearing the "imprimatur" of the Roman Catholic Archbishop be used in future.

An imprimatur is the permission required by a priest or any member of a religious order before a book dealing with religion can be printed.

Clans Will Meet At Edinburgh

EDINBURGH, Sept. 2.—(CP)—The greatest display of flashing kilts and skirling bagpipes in history is planned here next summer.

The occasion is the gathering of all the Scottish clans for a rally at the part of the 1961 Festival of the Brave, a celebration of the fight in Korea, a cabinet source said yesterday.

EDMONTON BULLETIN, Saturday, Sept. 2, 1950

Lightning, contrary to the time-honored conception of it by artists, does not travel in a zig-zag path of garden hose. To add insult to its acute angles. It curves and twirls but makes no sharp turns.

MODERNITY is master in kitchenettes at Dunn's Auto and Trailer Court on No. 16 Highway just east of the city. Co-owner Mrs. M. E. Dunn stocks cupboard with new glassware as a suite is prepared for a guest. Edmonton's newest tourist court is only a five minute drive from the centre of the city.

South Africa Cutting Down On Drinking
 JOHANNESBURG, (CP)—South Africans are making drastic cuts in their liquor consumption in an effort to balance their budgets. The effect of this economy has caused a slump in liquor sales which is giving concern to hoteliers. Bottle stores have also experienced a big drop in sales.

Some hoteliers have reported a 25 to 35 percent falling-off in bar sales compared with last year. Trade in hotel lounges, which was booming two years ago and encouraged hoteliers to spend lavishly on interior decoration, is practically at a standstill.

One hotelier said: "I have never known the bar trade to be so bad."

Walters in smart city hotels said that on some days they did not serve a single customer in a four-hour spell of duty.

The position in a number of Johannesburg hotels is so bad that the proprietors are serving behind counters and establishments which have had six or eight barmen for years have cut down staff.

THIEVES WORK AS POLICE PLAY
 NEW WESTMINSTER, B.C.—(UPI)—While police and firemen played a baseball game, thieves stole \$650 in goods from cars belonging to fans watching the contest, red-faced officers reported today.

Known the bar trade to be so bad?

King Midas Tomb Sought By Diggers
 ANKARA, TURKEY.—(Reuters)—A team of American archaeologists working 100 miles south of here hopes to find the tomb of King Midas, the legendary Phrygian ruler with "The Golden Touch."

Professor Rodney Young of Pennsylvania University and the group working with him hope to complete the excavations next year. They are working at Gordien, from the tenth to the seventh centuries B.C. the capital of Phrygia stood on this site.

Legend has it that Baccus, god of wine and general revelry, gave Midas the power that everything he touched would turn to gold. The gift backfired on the voracious

Rural Quiet, City Convenience Mark Auto, Trailer Court

In the solitude of pleasant countryside yet only a five-minute drive to the centre of Edmonton is the city's newest auto and trailer court.

Owens, Mr. and Mrs. M. E. Dunn, have spared no expense to make their venture successful. Key-note is comfort and this is evident throughout the premises.

Six modern suites are contained in the auto court, each pleasantly spacious.

A large living room, kitchenette with electric range, 'cabinets and sink, bedroom and bathroom with shower—all are designed to give real home comfort.

Suites are furnished with studio lounges, plastic covered chrome kitchen furniture, Hollywood beds, new dishes and kitchen utensils. Each has separate entrances and hot and cold running water.

Steam-heat ensures winter comfort, and insulated and sound-proofed walls helped earn the establishment a government class "A" rating.

FOR TRAILER TRADE

Dunn's Auto and Trailer Court operates extensively for trailer trade. Room and light and water connections for 25 trailers are available. Modern steam-heated washrooms with showers, and a laundry room equipped with electric washing machine are provided.

DV's Help Themselves

BOSTON.—(UPI)—The Massachusetts division of the Disabled American Veterans has come up with a solution to the problem of persons tired of leafing a directory through pages of the telephone directory looking for numbers.

State Adjutant Thomas Keating thought of the idea while looking through a dictionary, thinking how nice it would be if telephone books were cut out in alphabetical groove the same way.

Keating got hold of an inventor who worked out the design for a machine to do the job.

Now anyone in New England can send his telephone directory as and 50 cents to the DAV at the state house and have it back in a few days a lot easier to read. All profits go to the DAV.

Slot Machines Take 80 Pc.

CHICAGO, (UPI)—State police report that slot machine operators evaded in recent raids were rigged to pay off only 20 cents on the dollar.

Police said the "one-armed bandits" seized in raids in various sections of Illinois, were "gimmicked" to prevent a higher payoff.

They said electrically operated machines have a switch device which can be placed in "conservative" or "liberal" positions to regulate the amount of payoff.

On some mechanically operated machines, police found screws which permanently blocked operation.

On others, the jackpot chute had been sealed off.

General Admission — \$1.50

General Admission tickets will be on sale Day of game ONLY, AT MIKE'S AND AT PARK

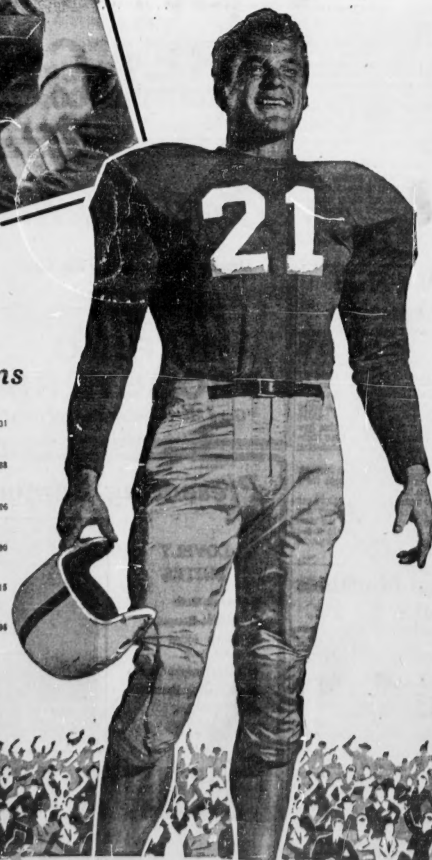

Meet the Coach!

Annie Skusek might well be called Mr. Football of the Canadian Game. He played organized football for over twelve years, starting with the Jr. A's in Toronto in 1931 and with the famous Toronto Argonauts from 1933 to 1941, when they disbanded for the war years, during which time the club won two Canadian Championships and where he played Quarterback and Wingback, and was outstanding at Fullback. After the war he was sent to England as a Prisoner of War. He was sent back to Canada for the Oakwood Indians and later to the Navy and joined Teddy Morris, famous Canadian Coach, with the Navy Football Team in the Ontario Service League defeating the Montreal Navy for the Canadian Navy Championship. On his discharge from the service Bill Skusek was Co-coach of the Toronto Indians with Lew Hayman and the following season coached with Brian Timmins of the same team. Finally, the best example of his outstanding ability as a football player was demonstrated during the 1943 season with the Toronto Indians. He led the League in scoring, running a touchdown. All his points were acquired by kicking placekicks, field goals, and a single point, a really remarkable achievement. He was surprised at his Skusek does none of the leading this season, as in practice he has not lost his kicking touch. During all these years Annie was a Sports Writer for the Toronto Star, and during 1947 and 1948 started out as active football to devote full time to writing. We all wish Annie Skusek the best of luck and success coaching the Eskimo Football Club this season.

Varsity Music Division Expects Busiest Year

The biggest, busiest year of its young history is the prospect facing the growing musical division of the University of Alberta Fine Arts department for 1950-51.

The peak enrolment of the five-year-old division came last year when 50 students attended courses and Assistant Prof. Richard Eaton, division head, expects at least that many this term.

No new course, however, will be added this year. Prof. Eaton and Lecturer Arthur Crighan, the total staff of the division, are consolidating last year's expansion. And they expect a full year, with six courses and probably two more extension courses to teach between them. Classes begin Sept. 28.

University students can choose from three consecutive courses in harmony and counterpoint and three more related courses in choral theory and general musical knowledge. In addition, there are laboratories on choral singing and music appreciation.

ALSO RADIO SHOWS

The Music Division will again produce one or more musical shows over radio station CKUA, including the popular "Musical Sketches," which is arranged by the students. Through the Extension Department, the Division will also offer at least two other general courses to the general public. Last year, those consisted of a choral leadership course conducted by Prof. Crighan in Edmonton.

SILENT SOULS MEET MUTELY AT CONVENTION
CHICAGO, Sept. 2.—(AP)—Chicago was host today to a convention at which delegates planned a lot of noiseless fun.

There were some 250 delegates here for an annual meeting of deaf-mutes. The visitors carried pads and pencils for the benefit of persons not able to converse in their sign language.

There was a lot of gaiety, but no complaints of noise, a hotel official said.

Edmonton Could Be Cultural Hub

Auditorium Problem's Answer Seen In Miracle Mile Plan

Construction of the 2,500-seat auditorium as part of the proposed Detwiler Miracle Mile could quickly project Edmonton into the spotlight as musical and cultural mecca of western Canada.

East, West Denied Here

The world's champion exponent of western music is a tall, smiling Arab, who hails from Edmonton.

That was the opinion of a panel of judges at Vancouver's Pacific National Exhibition last Saturday.

It was in prize-money to Soya, an Arabian named Gamam and his sons of the West.

Gamam himself is a son of the Middle East, being the offspring of an Arab who decided about 30 years ago that he preferred Saskatchewan to Syria and emigrated to Swift Current.

Today, Ameen with his hot Western-style violin is riding high on one of the most popular cowboy bands on the continent.

STAR PERFORMERS

The Sons of the West have been the star performers of "Alberta Rhapsody," a CBC program originating in Edmonton, for the last five years.

They also have an enviable reputation at local dance halls where Gamam has been performing since 1940.

His latest success is scheduled for some time in November when he will cut his first record—six of them for Victor.

The man who said "East is East and West is West . . ." never met Ameen Gamam, the Middle Eastern cowboy from Swift Current.

Senate OK's Boost

WASHINGTON, Sept. 2.—(AP)—Senate approved a \$4,000,000 "first installment" war tax boost by voice vote last night after voting 62 to 36 to postpone until next January a decision on an excess profits levy.

Formby Troupe Expects To Break City Records

An all-star group of entertainers will support George Formby in the famous British comedian's appearance here Oct. 12-14.

The entertainers, with the exception of Formby himself, comprise an entirely new edition of his "London Music Hall Varieties," and predictions are already being made that the Formby troupe will break their own attendance records on this year's tour.

Included in the cast are Mills and Bellia, a top-notch dancing team; Harry Bailey, the Irish singing comedian; the acrobatic Carney Brothers; Henschel (Jill) Henschel, comedy pianist; Jagger Henri Yaden, Roger Carver and his talking tomcat; and lovely Marion Sanders, well-known in the London music halls and on NBC.

Formby will begin his coast-to-coast tour with a gala performance at the Montreal Forum, Sept. 9.

Socialism Lessons From Baby's Antics

CAMBRIDGE, Eng. (CP)—As addressing the liberal summer school here, Frank Byers, chairman of the liberal party, got this off his chest.

"If he wants something he will go to all kinds of lengths to get it. But when he has it he does not know what it is worth to do with it."

"How like the Socialist government which has nationalized certain industries before really thinking what it was going to do with them when they were nationalized."

No longer would music lovers be forced to endure hours of discomfort to enjoy their favorite artists and orchestras.

No more would Edmonton be embarrassed before the whole country by having top-flight celebrities and entertainers appear in a livestock ring.

Not again would a speaker of the calibre of Eleanor Roosevelt have to refuse to speak in a stock pavilion.

If the \$28,000,000 City Centre development planned by L. E. Detwiler and his associates is built, this city will have one of Canada's outstanding auditoriums.

Seating 2,500, it would be available for appearances of the very finest musical and cultural personalities and organizations.

It is shocking that in a city the size and importance of Edmonton, the only building in which visiting celebrities can give their concerts is an inconveniently situated stock pavilion.

Urging commissioners to approve the Detwiler agreement and thus expedite construction of the huge Miracle Mile, the city said:

"The contract will provide Edmonton with a much-needed centrally located auditorium which it cannot provide in the foreseeable future from its own resources or by borrowing."

In addition to providing a suitable outlet for this city's growing musical talent, both orchestral and solo, the auditorium would be available for conventions, social, business, religious and civic meetings.

Not only would Edmonton thus become a musical mecca for all of Canada west of Winnipeg, but its other cultural potentialities would undergo a parallel development.

CHORISTS PLAN Season Programs

St. Cecilia Chorists, under direction of Mrs. L. F. Dawes, will rehearse rehearsal Sept. 12.

Members are asked to gather in the music room of the Edmonton Public Library for rehearsals.

A few vacancies in the chorus are to be filled. Anyone interested in joining may apply to Mrs. Dawes for an appointment. Phone 84321 or 21644.

WANTS SYMPHONY

That scholarship will send Lee Heppner to New York this fall for the experience which he hopes will help him to serve his city's cultural needs even more fully.

The man who nourished the "Pops" concerts into the most successful "longhair" music venture ever seen here feels that light classical concerts are only part of the answer to Edmonton's serious music needs.

LEE HEPPNER
... Pops Conductor

THURSDAY POPS CONCERT Climaxes Great Venture

One of the most promising partnerships in modern Canadian music is developing between Edmonton's Lee Heppner and Lee Heppner's Edmonton.

It started three years ago when the young conductor instituted the first series of "Pops" concerts ever held here. It continued through 1949 and 1950 with the growing success of the summer concert.

And it received a potent boost at the Aug. 24 "Pops" program this summer when a select audience in the Sales Pavilion enthusiastically endorsed the selection of Mr. Heppner to receive the first "Pops" orchestra musical scholarship.

It will be made up of the complete proceeds of a final concert in the Sales Pavilion next Thursday.

That scholarship will send Lee Heppner to New York this fall for the experience which he hopes will help him to serve his city's cultural needs even more fully.

A few vacancies in the chorus are to be filled. Anyone interested in joining may apply to Mrs. Dawes for an appointment. Phone 84321 or 21644.

CHORISTS PLAN Season Programs

VARIED OFFERING of local talent has been planned by Women's Musical Club of Edmonton. President Mrs. L. F. Dawes announced arrangements have been completed for a series of seven recitals starting Sept. 25.

Donna Frazer Booked To Open WMC Season

Accomplished young pianist Donna Frazer will open fall activities for the Women's Musical Club. She will present a piano recital in McDougall United Church Sept. 25 at 8:15 p.m.

This was announced by president Mrs. L. F. Dawes at first fall executive meeting of the club this week.

Plans for year's program have been completed with a schedule of five evening recitals and two afternoon presentations.

October recital will feature two performers of Young Artists' Series sponsored by Women's Musical Club and Canadian Federation of Music Teachers' Association. Names of artists to appear in the evening program will be announced by Mrs. Dawes later in the month.

OTHER BOOKINGS

Musical husband and wife, Jean and Kathleen Letourneau will appear in an evening recital during November. Mrs. Letourneau is the former Kathleen Busby.

Flutist Harlan Green and pianist Dorcas Stanton will combine artistic forces for a concert on a December afternoon.

Winner of Toronto's Singing Stars of Tomorrow competition, Joie Marshall will present a vocal recital in January.

February artist to be sponsored by the Women's Musical Club is Frances Kitchen, talented city pianist.

Muriel Taylor School of Dancing and Kindergarten

Tap, Ballet, Toe, Acrobatic, Adagio, Highland and Ballroom

Classes Will Commence Sept. 5th

Kindergarten

Morning and Afternoon Classes Monday Through Friday Transportation Supplied Will accept Children from 3 to 6

Classes Include:

- Self Directed Activity
- Clay Modelling
- Project Work
- Musical Appreciation and Dancing
- Also Supervised Play Periods

Qualifications

Miss Taylor has studied under K. Armstrong of Vancouver, Boris Volkoff of Toronto, Ernest Belcher of Los Angeles, Norman Thompson of the Sadler Wells Co. She was also associate teacher with the B.C. School of Dancing, Vancouver and was chosen to adjudicate B.C. Dance Festival. Miss Taylor also directed the Civic Opera Ballet and the University Ballet Club for the past two seasons.

CBC Talent Show To Widen Scope

Edmonton to Have Panel Of 'Opportunity Knocks'

By Glenn Currie

TORONTO—(CP)—One of the few criticisms of "Opportunity Knocks," CBC talent program, has been that the show has not been completely representative of Canadian talent.

The corporation has also felt that artists from some parts of the Dominion may not have been given an equal chance with those from the Toronto-Montreal area and plans are under way to remedy this.

To date, the half-hour program has originated only in Toronto and Montreal, with a natural predominance of eastern artists. As usual, the "East" has become the villain of the piece, with the "West" being the victim.

In an attempt to make the series more truly national in character, H. G. Walker, manager of the CBC Dominion network, and Geoffrey Waddington, CBC musical adviser, will make a flying tour of Western Canada this fall to set up semi-permanent audition panels to select artists for appearance in the east. To begin with, these panels will be set up in Winnipeg, Regina, Edmonton and Vancouver.

EDMONTON SEPT. 12

The two men are scheduled to appear in Winnipeg Sept. 5 to 8, in Vancouver Sept. 8 to 10, in Edmonton Sept. 12 and 13, in Regina Sept. 14 and 15, and in Winnipeg Sept. 15 and 16. With the new "Opportunity Knocks" series starting from Toronto Sept. 18, they hope to have the system well under way by the time they return.

The choice of contestants is, however, one of the angles in the scheme of nationalizing the program.

There is always the problem of transporting the participants to Toronto. Providing transportation from Vancouver and back once a week is a heavy strain on the program's budget, especially since it is strictly on a sustaining basis.

With regard to this, Mr. Walker says: "We are hoping that in any scheme that is developed local organizations such as conservatories, boards of trade and chambers of commerce will be asked to help and to sponsor appearances of their own artists on the national network."

PROFESSIONAL RATES

Thus, if any organization has a protégé with an eye on a professional career, they will, if necessary, forward funds for the trip. It is not all just for the fun of it, Mr. Walker says.

Each contestant receives a regular professional fee for his talent and if he is given a return engagement, the most popular artist on any program he gets a \$50 fee. Then, for the lucky one who makes the grand award of each 15-week series, there is a network program series with the CBC.

The possibility of having the show originate in other key cities of the Dominion was discussed and discarded. Principal reason was the necessity of a large orchestra.

PHILARMONIC MEETS SEPT. 15

Possibility of a "sponsor system" for the Edmonton Philharmonic Orchestra during next season will be discussed at the annual meeting of the Philharmonic Society Sept. 15.

The scheme worked well with the "Pops" orchestra during the summer when the Recreation Commission backed its concert, pointed out Philharmonic President Harold C. Sagar.

Plans for the number and nature of this year's Philharmonic concerts will also be discussed at the meeting and a new executive committee elected. The first concert of the year will probably be presented in late October or early November.

CINCINNATI—The Cincinnati Reds were winners in six of their first nine games played against the Dodgers this year.

Well-trained in accompanying artists in their first appearances.

"While not denying the quality of orchestral in this clinic," said Mr. Walker, "we feel that we can get the best results and give the artist a better break with an orchestra which works as a unit each week and knows the program inside out."

Choral Club Will Resume

Woodward's Choral Club, organized in musical competition since its organization in 1945, will seek to extend its record this season.

Plans for the biggest and best year in the history of the 45-member group will be laid at the annual executive meeting, Sept. 11.

The two public concerts presented last Spring will be repeated this year and possibly increased in number. The choir will also enter the Provincial Musical Festival and attempt to retain for the sixth year the honor of Highland Shield, emblematic of supremacy in the large choral societies division.

Keith W. Russell will again conduct the group.

Russia Will Join Talks On Austria

LONDON, Sept. 2.—(AP)—Russia has agreed to join the Big Four in a new discussion of an Austrian Three Western powers next week of independence.

Foreign ministers of Britain, the United States and France working on the part have been so informed by Ambassador George N. Zarubin, the Russian representative, official sources reported today.

Letourneaus Star On Pops Finale

Husband-and-Wife Team Will Contribute Solos, Duets

The Singing Letourneaus, Edmonton husband-and-wife team, nationally known in musical circles, will be guest artists at the Edmonton Pops Orchestra's final concert of the season Thursday at the Sales Pavilion.

The orchestra is adding a final concert to its series in response to public demand. All proceeds from Thursday's presentation will be used to finance the orchestra's first annual musical scholarship.

After establishing themselves in the eastern Canadian and United States' musical world, Jean Letourneau and his wife, the former Kathleen Busby of Edmonton, returned to Edmonton permanently a year ago because they felt the West "is young and live so much to offer."

Other famous teachers in Montreal and New York.

He performed with the Toronto Symphony, the Metropolitan Chorus, "Les Concerts Symphoniques," and on the CBC. For Johnson and Sons, National Music and Heintzman.

TEAM FEATURED

Edmonton music lovers will hear them Thursday both individually and in duets.

Mr. Letourneau has selected G. Handel's "Where E'er You Walk" and Verli's "A Donna Mobile" as his tenor selections.

For their duets the Singing Letourneaus have selected "Happy We" from Act and Galilea and the Russian folk song, "A Love and His Love."

Mr. Letourneau is considered one of Canada's top tenors, having studied under George Lambert and

11 soloist at the Radio City Music Hall in New York.

Miss Busby, a lyric soprano and piano accompanist, has done radio work in Edmonton and in Eastern Canada. Before she was 19 years of age she appeared twice as soloist with the Toronto Symphony Orchestra. Later she coached at Metropolitan Opera.

VARIED PROGRAM

The Pops Orchestra's Thursday concert program is well varied. It will include "Tom Waite's" Clifton Overbury, Barbara Hangan-Dance No. 1, Rhythmic-Norway's "Rings of the Cosmos," and "The Sea" and "Sibylla Ship" from his Schoenberg suite.

Other selections will be "Our Waltz" by David Rine, Bill's "Disco-Polka," Beethoven's "Egmont Overture," Robert Farnon's "Jumping Beans," and Johann Strauss' "Waltz, Wines and Song," and Tchaikovsky's "The Nutcracker" and on the CBC. For Johnson and Sons, National Music and Heintzman.

Slo-Mo-Shun Sizzles In Detroit Test
DETROIT, Sept. 2 (AP)—United States yesterday won the first heat of the Hammworth trophy race as Slo-Mo-Shun, speedy Seattle boat, led an American defending team to victory over the Canadian challenger, Miss Canada IV.

Slo-Mo-Shun, driven by Lou Bickel, won the first heat by a margin of 1.4 seconds over the Canadian boat, which was piloted by Miss Canada IV.

The order of finish for the other three heats was: 1st, Slo-Mo-Shun; 2nd, Miss Canada IV; 3rd, Slo-Mo-Shun; 4th, Miss Canada IV.

FRONT LINE warriors of Maple Leaf Junior football club are a couple of Bills, guard Bill Huckalo, left, and centre Bill Elliott. Both will see action tomorrow afternoon when Leafs tackle Calgary Bronks in initial inter-city junior league contest at Clarke Stadium. Coach Nate Shore terms his centre, Elliott and big Don Barry, the best juniors at the position in Canada. Kickoff time tomorrow is 2:30.

Maple Leafs Tackle Bronks In Junior Football Opener

By ERNIE FEDORUK
Edmontonians will get their first glimpse of the newly-formed Alberta Junior Football league tomorrow afternoon when coach Bob Freeze herds his Calgary Bronks into Clarke Stadium for a game against Maple Leafs, starting at 2:30 o'clock.

At the same time Don Loucks' South Side Athletics will clash with Calgary Mustangs, at Mewata Stadium.

It will be the first game for the Edmonton series, and the initial inter-city contests. The Calgary clubs already have a game under their belts, Bronks having defeated Mustangs 14-0 last Friday.

Coach Nate Shore last night sent his Leafs into their first game, a 10-0 victory over the South Side Athletics.

South Side will leave for Calgary early tomorrow morning. Loucks has been plagued with equipment trouble during the week, the last week. Player absenteeism also has given him more than a little trouble.

Following are the lineups for Maple Leafs:

Centre—Bob Freeze; Right Half—Don Loucks; Left Half—Bill Huckalo; Quarterback—Bill Elliott; Running Back—Don Barry; Fullback—Bill Huckalo; Line—Bill Huckalo, Don Barry, Bill Elliott, Don Barry, Bill Huckalo.

South Side Athletics will leave for Calgary early tomorrow morning. Loucks has been plagued with equipment trouble during the week, the last week. Player absenteeism also has given him more than a little trouble.

Following are the lineups for Maple Leafs:

Esks Triumph 7-4 Behind Ed Belter

Dodgers again provided the fireworks at Renfrew Park last night, but Eskimos never-lose (defeated) Esks 7-4 to square the Big Four Baseball League final at a victory 61-60.

General manager Ken Smith, who was out to prove his team's worth, was again victorious, however three of the blow were home runs, rather than Esks' accounting for a pair.

On the strength of these circuit clouds Dodgers were very much in the picture as far along as the eighth, when Esks pushed across the last two runs of the game.

HOMER—HAPPY
Dodger commanding ran the home total for the first two games of the series to an even ball total Thursday, as they overpowered Esks 15-4 in the 11th-inning, Bernie Anderson, with two, and Barry Robertson waited roundtrippers.

Eskimos never behind last night. In their first time at bat they sent Morris Hawkey, on the Doo-gee around, for three hits. These combined with a base on balls to George Bradish and an error at second by Don O'Connor, accounted for three runs.

Dick Lattif's boot of Bob Lill's grounder enabled Esks to add a fourth run in the bottom of the second as they went ahead 4-0.

From that point Dodgers, with Kozigard socking hefty homers over the centre field barrier in the third and fifth, and Ryan Llewellyn chipping in with a two-run four-batter in the fifth, kept nibbling away at the Eskimo lead.

CHANGED TACTICS
Fast that Belter, who served Kozigard and Ryan a menu of fastballs in the early going, slow-curved off both through the late innings, probably saved the night for the Esks.

Winners added a singleton in the fifth, then a pair in the seventh to pull safely out of reach. Prior to last night's game Bob Lill, Esks' infielder, was recipient of a beautiful, engraved wristwatch, courtesy Herb Knowles. Lill was adjudged most popular player in the league in a fan vote.

Manager Ed Morris shook up his lineup, inserting Len Narlsen at shortstop, and moving Don O'Connor to second base.

Esks' lineup for the night was: Catcher—Don O'Connor; First Base—Bernie Anderson; Second Base—Don O'Connor; Third Base—Bernie Anderson; Shortstop—Don O'Connor; Left Field—Bernie Anderson; Center Field—Bernie Anderson; Right Field—Bernie Anderson.

Dodgers' lineup for the night was: Catcher—Don O'Connor; First Base—Bernie Anderson; Second Base—Don O'Connor; Third Base—Bernie Anderson; Shortstop—Don O'Connor; Left Field—Bernie Anderson; Center Field—Bernie Anderson; Right Field—Bernie Anderson.

Esks' lineup for the night was: Catcher—Don O'Connor; First Base—Bernie Anderson; Second Base—Don O'Connor; Third Base—Bernie Anderson; Shortstop—Don O'Connor; Left Field—Bernie Anderson; Center Field—Bernie Anderson; Right Field—Bernie Anderson.

Dodgers' lineup for the night was: Catcher—Don O'Connor; First Base—Bernie Anderson; Second Base—Don O'Connor; Third Base—Bernie Anderson; Shortstop—Don O'Connor; Left Field—Bernie Anderson; Center Field—Bernie Anderson; Right Field—Bernie Anderson.

24 Entrants In Bike Race

Entries from Edmonton, Calgary, Canmore and Victoria, B.C., to the number of 24, have been received for the annual Silver Hawks' 100-mile bike race to be held Monday.

John Jensen is the one Canmore entry and the coast man is Bob Gibbs of Victoria Cycle Club.

Race starts at Red Deer at 11:00 a.m., finishing at approximately 1:00 p.m. at the corner of 304 street and 50 avenue here.

Short, with the sore-legged Lillis moving to third.

Morris took over at second base, with rookie Brent Macdonald handling the catching and Jerry Seaman playing left field. Freddy Granito and Ray Enslin were benched.

Third game is scheduled for tonight, at 8:00 o'clock. There will be no game tomorrow or Monday.

KANSAS CITY—Milwaukee and Kansas City played a 10-inning scoreless tie here May 31.

NEARLY ONE YEAR since work started on it, new bakery plant of Weston Bakeries Ltd. begins to take shape. Bennett and White of Edmonton, Ltd., are general contractors on \$1,000,000 building which will be

completed early next January. Designed by architects, Rule, Wynn and Rule, plant will cover an area of 465 x 292 feet and will feature push-button modernity in its interior.

Removing Paint
To remove a paint spot from fabric, saturate the spot a few times with a solution consisting of equal parts of turpentine and household ammonia. Then wash the area with soap and water.

OUR NEW R.O.W. Removable WINDOWS

"No more ladders for me!"
"No more sitting on window ledges."
"I just wash the sash to the left and lift out these modern removable windows—and then I WASH BOTH SIDES IN-DOORS!"
Yes, these removable windows are quick and easy to wash. They can be no more than ordinary good wood windows. Come in and see them.

British Fire Losses Reach Record Figure

LONDON.—(CP)—Fire destroyed a new car in under 45 seconds in a house in Britain and caused \$400,000 damage in the two countries totalled £2,300,000, a record figure.

The 1946 loss was £374,000 higher than in 1945 and double the 1944 figure. Fire, official journal of the British Fire Service, issued the statistics.

The worst month last year was November when the Gladstone dock fire at Liverpool contributed £2,000,000 to the estimate of £2,300,000. In December there were three big fires at Covent Garden market in London, at a co-operative mill in Hampshire, and a mental home in Waterford.

Heaviest loss of life was at Glasgow. There 33 were burned to death and 34 injured in a fashion-house fire.

Use STONEBORD

WHEREVER A RIGID WALLBOARD IS NEEDED!

- Here's why:
1. Costs less per square foot than ANY OTHER RIGID WALLBOARD!
 2. Easy to use — saws easily to shape and easily nailed in place over studs.
 3. For finished appearance, joints can be completely concealed, even from close inspection, by exclusive recessed edge filler and sanded smooth, ready to paint or paper.
 4. For interiors of poultry houses, barns, or animal sheds, an usual interior lining... stops drafts... discourages all kinds of vermin.
 5. Completely fire resistant.
 6. Provides strong, rigid walls — a full 1/2 inch in thickness — won't crack, warp, or shrink. Weighs 4 lbs. per sq. ft. — comes in 8, 10, and 12 foot lengths.

The new construction or remodeling, for schools, churches, homes, or farm buildings — your best bet's Stonebord — for both economy and satisfaction!

14 EDMONTON BULLETIN, Saturday, Sept. 2, 1950

Flashing Importance Stressed In Building

No matter which type of roof finish is used, flashing must be applied around chimneys, vents, dormers and along "valleys"—the intersection of two roof surfaces.

As flashing is expensive to repair or replace in the event of a leak, it should be constructed of rust-proof material.

Galvanized steel is used extensively but sheet copper, zinc, lead and aluminum are usually more durable.

Building paper or felt should be placed under all flashing.

ACT AS DRAINS
Particular attention should be paid to flashing the valleys which act as drains to carry off water.

The metal sheeting should extend at least seven inches under the shingles on each side of the valley, tucked to chimneys and vents and where the sill of a dormer window rests on the roof, the flashing should be carried up the roof and under the sill.

Gutters may be constructed of wood or sheet metal similar to that used for flashing.

LARGE ENOUGH
They must be large enough to carry off water quickly and completely without leaving pockets of water standing in them. Gutters should be far enough below the eaves to prevent water from backing up under the shingles.

Downspout should carry the water either into the sewer or to a flat cement slab or stone which will discharge the water far enough away from the house to prevent moisture from the foundation and so prevent soil erosion.

Most of Canada's local trade unions have branches of international organizations, either craft or industrial, with headquarters in the United States.

Safari of Star Snags Super-Ego

Backwoods Motorcycle Jaunt Gives Parks New Outlook

By Virginia MacPherson
Exclusive to The Bulletin

HOLLYWOOD, Sept. 2.—(U.P.)—Larry Parks, who took a 1,200-mile motorcycle jaunt into the backwoods, reported today he didn't recognize one.

And he thinks more movie stars ought to try it. A well like this is the best thing in the world for "Hollywood egos."

"It kind of brings you down to earth," Parks said.

Especially after London. Larry said his wife, Betty Grable, got a rip-roaring reception from the movie fans over there. Same way in Scotland. They also got mobbed in Scotland.

And even in Hollywood—autograph hounds chase after 'em.

"But I spent a week in the mountains back of Yosemite," Parks said. "I don't see a single soul recognized me."

In the first place, grizzly mountains weren't expecting a baby.

He was good 1 week and he recommends this as a fine vacation for Hollywoodites. (It's cheap, too.)

"It sounds a little preposterous to say this," Parks added. "But in this town you get so you lose your perspective. It does you good to

get out with people who don't 'dig' movies.

"After a while you find out which things really are important."

He slept outside in a sleeping bag and ate in roadside hamburger joints.

He also got mobbed in Scotland.

Immigrant Drive
CANBERRA, Australia—(U.P.)—Australian immigration minister Harold E. Holt says Australia hopes to keep on absorbing 200,000 immigrants a year despite the 41 of the displaced persons' program this year. The country needs people to fill the 210,000 vacant jobs registered with the commonwealth employment service, he said.

He got out with people who don't 'dig' movies.

War Landing Mats Fix Bad Road
WILLINGTON, O.—(U.P.)—Ohio has won a \$500,000 battle against a "sink hole" that threatened to stop travel on Route 17.
For years, travel on the route has been detoured at various times as a portion of the road along a 400-yard stretch sank into a muddy swamp. The state spent hundreds of dollars dumping dirt and cut-down trees into the swamp in an attempt to get a firm base for a main-traveled route.
The last war brought the solution. First, 125,000 cubic yards of sand, gravel and earth were dumped into the area by a procession of trucks. Then some mesh landing mats were in the way were spread over the bog and asphalt was laid.
Today more than 4,000 trucks batter the pavement and roll over the spot that defied road engineers.
Motorists have only one objection. The road bobs up and down at times if you travel slowly enough.

LUXURY FURS IN FALL SHOW

FLARING RICHNESS of warm-hued sheared beaver is a fur-fashion for the style-wise woman of today. A luxury fur, beaver is versatile, durable and ever-popular. Mrs. J. C. Scott models the ripping-full coat.

MIDNIGHT MAGIC OF CHANTILLY LACE WHISPERS OVER TAFFETA

GLEAMING COPPER TAFFETA rustles beneath a frothy, billowing over-skirt of shadowed lace, for this model evening gown worn by copper-headed Mrs. H. H. Harris. The lovely, elegant dancing dress is a promise of fashion's autumn beauty. Chantilly underdress of taffeta is mid-calf length to reveal a slim ankle and short skirt to match the gown. Lace, draped abundantly at the hips, falls from the centre to reveal the shorter taffeta model. Mrs. Harris wears matching lace mittens and an air of beauty.

First Fashion Show of Fall Season Accompanied by Junior League Tea

Dance Fashion will first flaunt her 1939 crop of fall beauties Tuesday and Wednesday. Opening show of the season will take place at Holt Renfrew store. Junior Hospital League members will serve tea both afternoons.

Proceeds of the league tea will be used to further their two major projects: care and education of crippled children at University Hospital of Alberta and Emergency Housekeeping Service.

President Mrs. John McMullen will welcome guests.

Tea convener is Mrs. O. Rostrop, assisted by Mrs. Kenneth Clarke and Mrs. D. Pittard.

SEQUINS GLAMORIZE WOOL

DECEPTIVELY PLAIN look of unadorned wool today, made tempting and popular with deep cuffs of silver sequins on short sleeves. Model Mrs. Donald Fraser likes easy swing of gathered skirt.

PERSIAN LAMB ADDS ELEGANCE

SWEETING GRACE of softly flaring grey cloth, coat is personalized with touches of matching grey Persian lamb for Mrs. Eric Duggan. Coat is quickly styled to assure versatility. Crown of seed pearls tops matching grey felt hat.

MINK-MIND CHOOSE JACKET

FINGER-TIP LENGTH jacket of natural-tone mink is a dream-coat for any modern woman. . . and for old-fashioned women too. Mrs. J. B. Dinning of the modern variety models the coat with full, easy lines.

Textures Talk In Coat Class

Beau - catching blues, warm, cozy browns and elegant, versatile greys top coat colors for fall. Fabrics run to the coarser, textured weaves with homespun from famous Canadian centres topping the popularity poll.

Shapes are widely varied and many are hemmed somewhat shorter than dress or suits to allow the effect of contrast in color and line.

Fancy Fabrics Important Part

Hand-in-glove with warm-hearted autumn colors is the galaxy of fine n' fabulous fabrics. Rich furry velvets, durable corduroys, rustling taffetas, magic laces, velveteens, wool jerseys, worsteds, felts and flannels add their share to the fashion scene.

Importance of fabric, texture, color fit the keynote of the simple silhouette.

FASHION SHOW FEATURES MORN-TO-MIDNIGHT SUITS WITH LONDON IMPORTS HIGHLIGHTED FOR TEXTURE

PANORAMA OF AUTUMN FASHIONS will be paraded before clothes-clever women of Edmonton Tuesday and Wednesday. Show will take place in Holt Renfrew store both afternoons. Junior Hospital League members will serve tea during afternoons and guests will be welcomed by President Mrs. John McMullen. With new-season activities entering the scene, Junior Leaguers are busy planning fall projects. Now involved in fashion show tea arrangements are: Mrs. H. O. McElger, left; Mrs. Eric Duggan, Mrs. J. B. Delling, Mrs. S. G. Parlee, Mrs. Gordon Wynn, Mrs. J. B. Dinning. They are modelling suits to be featured in show.

Restraint Wins Fashion Favor

Cocoon-shaped jackets, large overcoat collars, wide shoulders and spiral or hobble skirts revive fashions popular before the first World War for 1939's fashion scene.

But they are treated with restraint this new season, treated with simplicity and purity of line to match the slimmer silhouette of fall.

Colors Count In Fall Show

Classical gray is the color-quest of fall of '39 fashions, blending beautifully with other lending autumn shades. Beyond the greys, light or dark, it's bright accent colors of frosted leaf shades in gold, tangerine, orange, pumpkin. Other new basics of warm, lovely reddish-browns; deep combinations like red-green, orange-black; red-black will win favor with femininity.

Holiday-Bea Waves Farewell for 2 Weeks

By Bea Thrift

I'm on my merry way!
I'm on a holiday... and it's going to be a bit of a bummer's holiday at that.
Husband and I are slapping the poor old budget in the face and whisking away to the USA for a looksee at this 'n' that 'n' things in general.
I'm just as curious as can be to find out for myself what kind of price-people our American neighbors are having at the moment.

So I'll spend a couple of weeks surveying the situation and incidentally telling lazily about in the sunshine for the rest of the holiday hours.
While I'm davoring about with middle-aged abandon you gals might keep an eye out for newies on the local scene and let me know about them any time after Sept. 20.

I'll be as interested as a know... and simply aying of curiosity to find out what's been going on in my absence.

Don't forget to watch for things like the silver-threaded boucle yarn in green, red, gold, cocoa-brown, black and midnight blue.
It's not too plentiful and is selling at \$1.25 per skein right now.

There should be more of the same boucle wool at a lower price soon... if the demand increases.
It knits into a perfectly beautiful and elegant sweater for evening or afternoon wear.

And if it wasn't so expensive it would be ideal for a season's popular knitted suit.

Last year I saw a grey one, knit of this silver-threaded boucle and the suit was truly a master of vogue fashions.

See what you can do with this m'eaders!

Another thing to watch is the increasing number of household handy-dandies such as suit, skirt, blouse, hangers selling at prices ranging from 39c right on up to \$5.95.

A dust-mat for 39c is another example of the Manufacturers way of helping the homemaker with her day-to-day tasks.

Table linens, colored sheets, pillow cases, bright linen tea-towels, terry towelling by the yard, plain-color housemen lunch cloths and place mats... watch for them all while I'm away holidaying.

Wish me "happy motor-trip"... and I'll wish you "happy bargain-hunting" while we race through the next fortnight.

WOMEN'S INSTITUTE

Special Constituency Meet Decided To Join Four Branches for Work

At a special Constituency Conference meeting of Sedgewick and Round Hill it was decided to form the Oton Constituency to embrace the four branches, Oton, Round Hill, Oak Park and Heather Brae with Mrs. Herman Jacobs of Oton as convener.

Sedgewick will have four branches under Mrs. F. H. Clements of Alliance, Argyle, Sedgewick, Loughheed and Strome.

Mrs. E. B. Morton of Vegreville and Mrs. A. B. McGowan of Red Deer will be the two new branches to be added to the A.C.W.C. Women's Institute.

North Red Deer branch sent a letter of appreciation to Radio Station CKRD for the WI broadcast.

Wang branch held meeting in the Wang Hall.

Kanaka branch held their meeting on the house of an afternoon.

At the house of an afternoon, the members of the Kanaka branch held their meeting.

Silver Heights branch. There will be a 25 cent lunch fee and each member will donate a penny for each year of her age, on her birthday to increase funds of the WI.

Cherry Point branch. This constituency group to join the Blue Cross Hospital Insurance for all its members.

Happy Centre branch report the proceeds of the picnic to be \$29.32.

At the house of an afternoon, the members of the Happy Centre branch held their meeting.

Measles branch. This group made for a short but very interesting meeting for the members of the Measles branch.

Buy Bee branch of Vauxhall. There was held a picnic at the house of an afternoon.

Angus Ridge branch. There will be 25 cents a month and 4 pence a year for the members of the Angus Ridge branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

20 EDMONTON BULLETIN, Saturday, Sept. 2, 1950

REDUCING THICK ankles is difficult, but this exercise might help.

WHY GROW OLD

Well-Balanced Diet Will Improve Figure Faults

By Josephine Lowman

Q. I have never cared much about boys until now. I find that I am hardly appealing. I hope you can help me!

A. I am 5 feet 8 inches tall. I weigh 148 pounds. My bust measures 36 inches, my waist, 34 inches, and my hips 38 inches. You did not say how old you are, but probably not very old since you are just beginning to be interested in boys. You should lose from 15 to 15 pounds.

Your bust and hips are in ratio, but your waistline is too full. Diet in a sensible way.

Young women may ruin their health if they go on fad diets. Leave off the extra, candy, soda, fountain soft drinks, and rich desserts. Eat a well-balanced diet but do not take second helpings.

To be on Fashion

It's Velvet in Coats Too

Starting with a hate and accessories this spring, continuing with dresses and suits and blouses and skirts this fall, the great velvet vogue is now embracing coats as well. The velvet coat is such a perfect answer to the question of what to wear over your dressy cocktail or about dinner dress if you do not have a mink coat, that we wonder no one brought it out long ago.

The most exciting velvet coats are wide sweeping pyramidal types with rustling taffeta or brocade linings and gaudy sleeves. You can wear these for anything from a cocktail date to a formal ball. The ultra smart velvet coats are slender columnar sheaths—extreme and hard to wear but certainly very, very chic.

Good Luck branch had a visit from the constituency convener, Mrs. H. Wright of Huggenden who spoke to them of "The Institute Member as a Homemaker and Citizen."

Alta branch. Another layette will be completed.

Beauty Priele branch held a birthday celebration for first anniversary of their organization.

Loughheed branch report the monetary work progressing nicely with a new fence to be erected.

Branch will help with the used down clinic in Sedgewick.

Buffalo Coulee branch. There will be 25 cents a month and 4 pence a year for the members of the Buffalo Coulee branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

Blackfries branch. There will be 25 cents a month and 4 pence a year for the members of the Blackfries branch.

KIDNEY ACIDS. Rob your Rest.

Many people never seem to get a good night's rest. They turn and toss—toss and turn—when it is time to sleep. Healthy kidneys filter poisons and excess acids from the blood. If they fail and poisons stay in the system—disturbed rest often follows. If you don't rest well and use our Kidney Pills, you will find the kidneys so that you can rest better—and feel better.

Male Maintained By Women's Ward

LLANDUDNO, Wales, Aug. 31 (Reuters).—The women's ward at Llandudno general hospital has been converted into a male convalescent ward, a male convalescent, Charlie, a lame ass.

Admittedly, Charlie is a good patient. In fact, the only things he is concerned with are regular meals.

At 5:30 a.m. when early-morning tea is served to all the women patients Charlie appears at the first window of the ward—just behind the bed where the first tray is regularly set down.

He announces his presence with a sharp tap on the window with his heel, as cups of tea and biscuits are handed out, Charlie repeats his performance at each window in turn and gets his share of the biscuits.

Regularly at 7 p.m. he calls again, on the dot, for supper time and a share of the cake.

Regularly at 7 p.m. he calls again, on the dot, for supper time and a share of the cake.

Irving, Mrs. J. R. Kelley, Mrs. Frank Leighton, Mrs. D. L. Lillie, Mrs. A. J. Lohmeyer, Mrs. M. H. McKeay, Mrs. K. Gadsden, Mrs. J. McKeay, Mrs. M. E. Manning, Mrs. A. Maure, Mrs. D. Sencer, Mrs. A. Sencer, Mrs. J. Spurr, Mrs. H. Thors and Miss B. Rowand.

Social Whirl

Leaving Sunday for a three week pre-university vacation are Gary Argue and Garry Forest, who will holiday with relatives in Vancouver, Portland, Ore. Gailings and Fresno, Calif. before visiting the movie colony in Hollywood.

GUEST of her nephew, A. J. Dobie, is Miss Grace Dobie, of Kelowna, B.C., who is visiting in the city.

OF INTEREST here and in Calgary is the engagement announcement by Mr. and Mrs. John Francis House of their daughter Violet Elizabeth, to Wallace G. Carter, son of the late Mr. and Mrs. W. T. Carter of Kelowna, B.C.

Wedding will take place at All Saints Cathedral, Edmonton, Sept. 30.

After a wedding trip to the Pacific coast, the bride will take up residence in Whitehorse, Y.T.

Recent Bride Feted At Mother's Tea

Mrs. J. Barnett entertained at her home recently in honor of her daughter Joanne whose marriage to John Towers was an event of Wednesday.

To receive the 60 guests Mrs. Barnett wore a dress of blue and smoke grey jersey. Her corsage was red roses. Mrs. Towers chose a blue fall for her dress and her corsage was of pink roses.

Miss Barnett chose a brown lace over apricot satin with a corsage of yellow roses inset in pink gladioli pinned at her waist.

Pouring tea in the afternoon, at a table decorated with pink and white shaded sweetpeas in a low crystal bowl, were Mrs. M. Roy and Mrs. B. S. McEljohn, Mrs. F. Tucker and Mrs. J. M. Towers.

Servicemen were Mrs. J. L. Barnett and Miss Dorcas Schiller. Showing the trousseau were Miss Marjorie McTaggart and Miss Ruth King.

Mrs. J. W. Oak, the bridegroom's sister from Toronto, was in charge of the guest book.

During the evening Mrs. J. W. McTaggart and Mrs. W. T. Young shared honors at pouring tea.

Mrs. G. A. Sloan, the bride's sister was in charge of the guest book.

Avenue Bowlers Plan Monday Game

Mixed tournament for women of Alberta Avenue bowling club will take place Monday at 1:30 p.m.

Prizes will be drawn on the even.

Stettler Couple Pledge Vows at United Church

STETTLE, Sept. 1.—Of interest here is the recent marriage in Stettler United Church of Miss Thelma Elizabeth MacKenzie, daughter of Mr. and Mrs. R. M. MacKenzie of Stettler to John Warren Irvine of Arras, B.C.

Rev. J. Goddard of Calgary officiated.

Given in marriage by her father, bride wore a white tulle and lace gown with lily point sleeves and stood up collar. A finger tip veil descended from her head past her ears. She carried a cascade of pink roses.

Attending bride, was her sister, Mrs. and Rev. Heller of Beaver Lodge. Wearing similar gown of tulle and lace, she carried gladioli bouquets.

Wedding music was played by Miss Evelyn Wilson. Carl Grassy sang "I'll Walk Beside You" Charles McConnell was best man. Bruce McConnell and Harry Pierce acted as groomsmen.

Reception for 60 guests was held in Stettler hotel where the bride, mother received in navy tulle with pink accessories and pink rose corsage.

Women Today

EDMONTON BULLETIN, Saturday, Sept. 2, 1960 21

LATE SEPTEMBER wedding is forecast for Dorothy Eleanor McLeod and Donald (Lefty) Wynn. Announcement was made today by bride-elect's parents Mr. and Mrs. A. F. (Ted) McLeod. Mr. Wynn is son of Mr. and Mrs. W. Wynn. Wedding will take place at McDougall United Church Sept. 29 at 7 p.m.

Monica Jean Eccles Now Mrs. Donald Schultz

Gold ribbon and snapdragons marked pews of the Sacred Heart Church recently when Miss Monica Jeanne Eccles became the bride of Donald Stewart Schultz in an early morning doubling ceremony performed by Rev. F. Stewart.

Mr. and Mrs. Lorenzo Eccles and Mr. and Mrs. Val Schultz, parents of the bride, were guests of honor.

Donned in rose blue slipper satin, bride was joined in marriage by her father. Applauded with lace, her dress was fashioned with a full length train. She wore a pinstriped tulle hat with a fingertip veil of pink tulle. Pink roses centred the white gladioli and stephanotis in her bouquet.

Mrs. L. Maher, was her sister's matron of honor. She wore coral lace over satin with a matching madcap headpiece, and carried gold snapdragons.

Fourteen guests were students at the University of Alberta school of nursing. Assisting the hostess were Misses M. Pollett, Rita Woodrow, and Jean Milne.

Dinner party honoring Miss Southgate and her fiancé, Stanley Ragan, was held one evening by Mr. and Mrs. C. V. Bohman.

Some mountain peaks on the north are higher than those on the south.

Joan Drabble Chooses Traditional Satin Gown

Against a setting of gladioli, sweetpeas and summer flowers in Bissell United Church, Joan Annie Drabble recently exchanged wedding vows with Peter Beley.

Bride, given in marriage by her father, wore a gown of white satin with a cascade of pink roses inset in pink gladioli pinned at her waist.

Pouring tea in the afternoon, at a table decorated with pink and white shaded sweetpeas in a low crystal bowl, were Mrs. M. Roy and Mrs. B. S. McEljohn, Mrs. F. Tucker and Mrs. J. M. Towers.

Servicemen were Mrs. J. L. Barnett and Miss Dorcas Schiller. Showing the trousseau were Miss Marjorie McTaggart and Miss Ruth King.

Mrs. J. W. Oak, the bridegroom's sister from Toronto, was in charge of the guest book.

During the evening Mrs. J. W. McTaggart and Mrs. W. T. Young shared honors at pouring tea.

Mrs. G. A. Sloan, the bride's sister was in charge of the guest book.

Craft, Cost, Culture Keep Club Women Busy

After a holiday summer with nothing to do but garden, look after children, pickle, preserve, sew, house-clean, paint, patch and picnic, Mrs. Edmonton is back to her club meetings.

Each of the many local women's organizations have interesting, extensive programs arranged for fall and winter activities.

Problem of high cost of living top agenda for many groups with Canadian Association of Consumers starting the show Sept. 1 at an open meeting.

Meeting will take place at YWCA and invitations have been extended to representatives of each women's organization. Provincial president Mrs. Frank Conroy urges every housewife to be present.

Attention Ottawa CAC plans to make its combined national survey a truly effective one in the matter of price controls, said Mrs. Conroy.

Problem prices will take a lead role in Local Council of Women work this fall with president Mrs. J. L. Hollenhead firm in her belief women will have to reduce the budget.

First meeting of the council is scheduled for Sept. 28. Tentative plans to hold yearly sessions in Council of Social Agencies' Board Room have been made.

From costs to culture, the Business and Professional Women's Club of Edmonton will guide members through a varied year's program.

On an initial meeting at Macdonald Temple Sept. 30, first major project of the group will be a review of the year's progress.

Miss Isabel MacMillan is again in charge of arrangements for the retreat.

When members attending over tea at the club, they will hear return stories of their convention will be told in movie format.

Sept. 11 will take place in the annual fall tea and display will be the national Night slated for Nov. 22.

CLASSES START SOON Organization of annual craft classes is keeping Mrs. Philip Jean busy. Mrs. Jean is president of Edmonton branch of Canadian Handicraft Guild. Classes are slated to start in mid-September.

First meeting of the guild will be held Sept. 26 when plans for the annual fall tea and display will be completed.

Women's Canadian Club members will start the season with enthusiasm when they attend a biennial convention of men's and women's Canadian Clubs from across the country. Sessions will take place in Calgary next week.

Delegates are Mrs. Neville Lindsay and Mrs. A. E. Sheldermine. Among speakers scheduled to appear before the Edmonton club during the forthcoming season are Lt.-Col. P. M. Huxtable, B. R. Sandwell, Vincent de Guzman, Major General C. F. Worthington, Mrs. Phyllis Macdonald, Erik

Edmonton's host of IOOE chapters have planned a series of outdoor events for the coming year, highlighted by an exhibit of the Royal Carriage Oct. 24, 25, 26.

Headed by Queen Mary, carpet will be shown at HBC Empire Room. Exhibit will be sponsored by Municipal Chapter said regent Mrs. Staley Ross.

Friendship Club Oldsters Start Fall Programs

Friendship club activities will get under way next week with central branch opening Tuesday at the recreation building.

"Revel of Friendship" will be held for the oldsters, starting at 7:30 p.m.

Alberta Avenue branch of the club will start fall program with a party at the community hall Sept. 11.

A new branch, sponsored by Scots Community League, will open third week in September. Parties will be held in the community hall.

Penny Pryor Honored At Trousseau Tea

Honoring her daughter Penny, whose marriage to Roland Young takes place Tuesday at Holy Trinity Church, Mrs. A. H. Pryor entertained at a trousseau tea yesterday.

Receiving more than 140 guests, Mrs. Pryor wore a pale turquoise dress, trimmed with white and white accessories. Pink roses were pinned at her shoulder. Her guests wore white while guests—dressed formally with white accessories and white red roses.

Mrs. M. A. H. Young also received, in a navy and white ensemble with white accessories.

Honors were bright with gladioli and asters. An area lace cloth covered the tea table with a centerpiece of sweet peas and flanking pink roses.

Mrs. A. H. Pryor was assisted during the afternoon and Mrs. J. Churley and Mrs. H. Churley in the evening.

Mrs. J. K. House, Mrs. J. J. Holmes, Mrs. E. Hovell, Mrs. R. Hovell, Mrs. J. Lurie, Mrs. D. McCallville, Mrs. E. Lake, Mrs. D. McCallville and Miss M. Griffin assisted in serving.

Serving gifts were Mrs. H. Bishop and Miss Hovell (Calloway). Mrs. John Martin closed the trousseau and looked after the guest book.

Mrs. Stanley Ross Shows Royal Road Mrs. Stanley Ross Shows Royal Road

REGISTERED BULL, Lonelm Texal Scrooge, settles down at new home in Clover Bar district. Bull was purchased for \$250 by S. W. Smith and G. M. Smyth right, at auction sale this week at P. Bakker farm, Stony Plain.

'Scared the Wits Out of Me,' Says Survivor of Tornado

(The tornado at Rycroft played some queer tricks. The experiences of a man and woman who survived the big wind follow.)

By John Gidow
As told to The Bulletin

It sure scared the wits out of me. My son and I were leading a cow past the Rycroft school when the big wind came.

"When it hit, I was battling to get hold of a tennis court wind in the schoolyard. My feet were going up and down in the air, but I held on tight."

"My boy ran to the school but couldn't get in. So we went to the school garage and lay down on the platform in front of it and started to cry."

"A farm building west of the garage was picked up by the wind and carried right around in front of him. It was blown about 60 to 70 feet and ended up just in front of my boy."

"We were both badly frightened but unhurt."

By Mrs. Tom Gregg
As told to the Bulletin

It was awful. I was working in the back of the house and didn't realize the storm was coming.

"Things happened so fast I'm still not just sure of it all. I went to the front door to see if it was closed after telling my daughter in. She got back from town just before the storm."

"Then I went to the back to get my young girl. She must have come in the front door, and the tornado whirled it right out of her hands."

"The door was blown right past the house and ripped out about 15 or 20 feet down in the hollow by the garden."

"I didn't know just what was happening."

10-Cent Stamp Honoring Fur Trade Ready

OTTAWA, Sept. 2.—(CP)—A new brown-colored 10-cent postage stamp, honoring Canada's fur trade, will be issued Oct. 2. Postmaster General Rinfret announced today.

The new issue, the same size as current 10-cent stamps, one and a half inches by one inch, was designed by National Film Board and Canadian Bank note company artists.

It depicts an Indian woman hanging up beaver skin mounted on stretchers to dry. An Indian wigwam appears in the background.

Workers Agree To Work Again

LONDON, Sept. 2.—(Reuters)—About 1,500 London garment workers who went on strike Friday for more pay have decided to return to their jobs Monday—but said they would not work overtime.

The men, maintenance workers at 21 gas works, are complaining about delay by the state-controlled gas council in answering their claim for another fourpence an hour.

Sunken Vessel Looting Averted

HONG KONG, Sept. 2.—(AP)—A report from Shanghai said today that Chinese river pirates have tried to loot the sunken Philippine steamer San An, which struck a mine and sank July 27 in the Yangtze river channel.

The report said police captured several of the pirates. Eight others trying to escape in a power boat were "blown to bits" when their boat was hit by another mine.

Alaska Defences Put On Alert

ANCHORAGE, Alaska, Sept. 2.—(AP)—Alaska's anti-aircraft defences have been put on alert. Anti-aircraft weapons have been spruced in the last week at strategic points around bases and next to vital installations.

Silt trenches and gun crew shelters have appeared at many points. Some military installations have been ringed with lethal rapid-fire guns.

Jury Asks Amendment To Mines Act

A change in the Mines Act was recommended Saturday as a condition of a verdict in a verdict after an investigation of the Caledonia mine disaster which took the lives of five miners June 14.

The jury recommended that the Mines Act be changed to include an additional duty for drainage purposes to prevent water accumulating at the surface above mines.

Arthur Lister, district mines inspector, told the jury of the devastation caused by heavy rain and melting snow the day before the cave in. He stated he believed present system of mining carried out by the company in number one east mine was in order and adequate.

FIVE KILLED

The five miners were killed when a small mountain stream ran wild and flooded an open pit strip mine on the surface. The water caused a collapse which brought down thousands of tons of rock, water and debris on top of the mines below.

The men killed in the cave-in were fire-bow Roy Carr, Rod Kozanovich, Peter Morris, Steve Tomlinovich, and Mike Kozanovich.

After hearing evidence for three days, the six-man jury brought in the following verdict:

TEXT OF VERDICT

"We, as a sworn jury, find that the following, Roy Carr, Steve Tomlinovich, Rod Kozanovich, Peter Morris, and Mike Kozanovich, met their deaths on June 14, 1949, in two back angles of number one east mine from multiple injuries received from a terrible force of debris falling in the mine."

"We suggest that a change be made in the Mines Act so as to include an additional duty for drainage purposes."

Last of the bodies was recovered two weeks ago after two-and-a-half months steady work of removing rock and debris.

Court of Inquiry Slated for Strike

LONDON, Sept. 2.—(Reuters)—Labour Minister George Isaacs has ordered a court of inquiry set up to settle the London printing trades strike. More than 2,000 compositors are on strike over an overtime dispute. Production of weekly periodicals is affected.

FOREST HILLS, N.Y., Sept. 2.—(AP)—Big Gardiner Mulloy of Miami slammed his way into the semifinals of the national tennis championship today by beating Eric Corthell of San Francisco 6-3, 7-5, 6-2.

Huks Are Attacked By Combat Team

MANILA, Sept. 2.—(AP)—A combat team of the Philippine Army, aided by planes and artillery, today "routed" an attack on Communist Hukabag hideouts in the Bana-ha mountains, south of Manila. The Hukbaid 13 towns of central Luzon last week, leaving 86 dead, seven missing and many wounded.

New Budget For Defence Is Forecast

OTTAWA, Sept. 2.—(CP)—Trade Minister Howe today prepared to ask Parliament for economic controls which will give him power to direct "essential" materials from civilian to defence production.

OTTAWA, Sept. 2.—(CP)—The government served notice today that it will ask parliament at the current special session to vote \$442,000,000 to meet Canada's growing defence program this year.

This amount will be additional to the \$425,000,000 defence budget already approved.

In addition, the government will ask parliament to boost its power to undertake long-term defence commitments from \$144,000,000 as approved in the last session to \$353,000,000.

This power likely will cover a vast long-range defence equipment-purchasing program for the production of ships, aircraft and other defence weapons for Canada's forces and for her North Atlantic partners.

The board officials retreated. Residents of the district have sought to have the schools placed in a more centralized location for three years, Roman Catholic Bishop Henri Rouer of McLean stated.

ARMED FOR ALLIES

The government will request \$142,000,000 to go to meeting the defence department's program to build up a special brigade for possible action in Korea and to boost the ranks of its permanent fighting forces.

This will make for a 1950-51 defence department budget of \$607,000,000—the biggest in peacetime history.

The other \$300,000,000 of the \$442,000,000 requested amount will go to the purchase of arms for use of Canada's forces, and for her North Atlantic partners.

From government sources it was learned that primarily the \$300,000,000 will be earmarked for the provision of arms for Canada's allies in Western Europe.

Peaceful Return Seen For Missing Schools

Case of the two "missing" northern Alberta school buildings will close Tuesday morning.

The schools were hauled away by bulldozers from their sites at Fahler to the parish grounds of the Roman Catholic church, near Grosville, two weeks ago, when school authorities and taxpayers became involved in a dispute.

RCMP encountered no trouble yesterday when they traveled north to ensure that schools were returned to Fahler in the High Prairie school division in time for the fall term opening.

"Everything was peacefully arranged," RCMP in Edmonton said this morning.

POLICE WARRANT
Police operated on a search warrant issued Thursday by acting Alberta premier, Hon. Dr. W. W. Cross. It was signed by provincial acting attorney-general, Hon. A. J. Cooke.

The provincial government will have no action against persons who removed the two schools from near Fahler, in the northern Peace River district, two weeks ago.

Hon. Dr. Cross, said the government is satisfied with the return in enforcing residents to deliver the schools Tuesday.

Recently representatives of the school division board attempting to "rescue" the schools met with a barrage of protests from district residents who said they were "guarding" the buildings.

The board officials retreated. Residents of the district have sought to have the schools placed in a more centralized location for three years, Roman Catholic Bishop Henri Rouer of McLean stated.

Peak In Alps Conquers Guide

TURIN, Italy, Sept. 2.—(Reuters)—Crucifixion guide, Alberto Bich, known to Alpinites all over the world, is dead—killed by the Matterhorn, which his strenuous conquest.

He was climbing the Italian side of the peak Thursday when he was swept away by a fall of rocks.

Price Control Moves Seen Immediately

OTTAWA, Sept. 2.—(CP)—Federal action to haul down the still rising cost of living is on the way. Coincident with the disclosure that the official living-cost index has hit its new peak since the start of 1950 at 109.1, Prime Minister St. Laurent told the Commons yesterday that anti-inflation measures will be announced in a matter of days.

He did not say what type of action is planned, but he made clear it would not involve legislation empowering the government to impose a general system of controls on prices and wages.

Reports in the capital today were that anti-inflationary steps would be coupled in a "little budget" with increased taxes to meet defence costs.

MEASURES TO BE EXPECTED
Measures to be expected might include increases in personal and corporate taxes, and increased levies on luxuries such as automobiles.

Some of these might be aimed more against inflation than for producing results.

There was renewed speculation, too, that the dollar might be devalued against the United States dollar, as a means of reducing the price in Canada of some consumer goods through U.S. competition.

About the only clue to the possible type of measures in Mr. St. Laurent's statement was that the justice department has been considering whether they could be justified without general invasion of provincial jurisdiction. That consideration was just about completed, he said.

Western Interprovincial Senior

FOOTBALL

SEASON OPENS

in

EDMONTON

Labor Day, September 4th

at

Clarke Stadium at 8:30 p.m.

Calgary Stampede vs. Edmonton Eskimos

This is your chance to show the Edmonton Eskimos you are proud of them and the job they are doing. Plan to attend their Home Games and support them.

Here's How to Follow REFEREE'S SIGNALS

Referee in ready position. (a) incomplete forward pass. (b) illegal throw. Forward pass and/or one thrown must be received by a player in line of scrimmage. Penalty: 15 yards.

Fouled arms: "No yards" on kicked ball. Kicked ball "ready" player. Penalty: 15 yards.

Pushing hands forward from shoulders with hands vertical. Illegal interference on elbows by players of attacking team. Penalty: "clapping" or "blowing" or "pointing" (as preferred). Penalty: loss of down. 15 yards.

Pointing forward defensive foul with foot on ball. First down. Penalty: loss of down. 15 yards.

Either arm straight out from the body—Rough play, which means deliberate charging of kicker, forward passer or opponent attempting to catch ball. Penalty: 15 yards.

Grasping of one wrist—illegal use of hands or arms. Holding. It is illegal to grasp an opponent's arm when making a tackle. Penalty: 10 yards less of down.

Pushing movement of hands to chest with arms bent. Illegal—Ball illegally put in play. Player of receiving team in motion when ball put in play. Penalty: 15 yards.

Horizontal arm of either arm. Offside pass: a lateral pass thrown forward. Penalty: loss of down.

Pushing movement of hands to chest with arms bent. Illegal—Ball illegally put in play. Player of receiving team in motion when ball put in play. Penalty: 15 yards.

Both hands extended above head—A score. Either touch-down, field goal or rouge. Bringing both hands together indicates a two-point "safety-touch" score.

DAMP DAWN at RCAF station, Edmonton, finds two Dakota transport aircraft ready for action, wherever call may come from. Transport squadrons were pressed into extra action during rail strike to take army's

Alberta Commons Members Clash Over Beef Producers

NEW GAS PIPELINE TO START IN OCTOBER

CALGARY, Sept. 2.—(BUP)—Construction will begin about mid-October on a pipeline to bring natural gas here from the Jumping Pound field, 27 miles to the west, President F. A. Brownie of the Canadian Western Natural Gas Company announced today. The 12-inch line would cost about \$750,000 and would have a maximum capacity of some 100,000,000 cubic feet per year, he said.

Gov't Headaches Still Linger On

OTTAWA, Sept. 2.—(CP)—The rail strike is ended, but the government's railway headaches linger on.

Apart from the continuing possibility that it may have to set up an arbitrator to settle finally the wage-hour issue between the companies and unions, it faces these prospects:

1. It must reach a decision on an appeal filed by the governments of seven provinces against the latest Supreme Court decision awarding the railways by the Board of Transport Commissioners.

2. It must deal—later this year or early next year—with the report of its Royal Commission on Transportation, expected to make sweeping recommendations for grappling with the transportation problem generally.

3. It will be confronted before long, perhaps late this year also, with a report from the Board of Transport Commissioners dealing with the contentious question of equalizing freight rates across the country.

ANOTHER INCREASE
Along with these issues, there is the certainty of a new freight rate case before the transport board, which the railways unquestionably will file as the result of wage-hour concessions given their employees. Only the size of the increase that will be proposed is in doubt.

As in the strike of rates case, which has stretched over almost four years, it is expected that in

'Stampede' Winds Up Interplayground Events

A stampede, featuring horse races, chuck wagon races, a tug-war and roping contest and a craft display will close the season of city interplayground events at McKernan playground Monday.

Other last day events on Monday announced by City of Edmonton Recreation Commission will be: Westwood, 6:30 p.m., winner race at Great Ravine, children, aged 12, meeting in the playground at 4:30 p.m.

Kitchener: Sports day commencing at 2 p.m., with a relay race, reading off the day. West End Business Men's Association are assisting.

Calder: Bonfire and winner race commencing at 8 p.m. Reading of the day commencing at 7:30 p.m.

Jasper Field: Sports program in the afternoon.

Pleasant View: Cowboy stampede, with costume parade and refreshments, starting at 2 p.m.

Borden: Wrestling match at 7:30 p.m.; winner race at 8:30 and fireworks at 9:30.

Quebec Minister Issues Message

QUEBEC, Sept. 2.—(CP)—Labor Minister Antoine Bibeault in a Labor Day message issued yesterday called on employers and workers to apply a "Christian spirit" to their daily efforts.

This will permit Quebec province to continue to progress with a minimum of disturbance, friction or trouble, he said.

Architect Dies

LONDON, Sept. 2.—(Reuters)—Landscape architect Ralph Han- cock, who in the early 1880s de- signed the gardens of Rockefeller Centre in New York, has died at his London home, aged 87.

special force recruits to training centres. Emergencies such as floods or far north accidents find RCAF ready at moment's notice to fly in supplies or evacuate injured persons.

FISHING GOOD 750 Pounds Of Fish In Four Hours

OTTAWA, Sept. 2.—(CP)—Two Alberta opposition members clashed in the commons last night over the plight of Canada's beef producers.

John Blackmore (SC—Lethbridge) said that position is so precarious a drop of two or three cents a pound would bring them to ruin.

Nonsense, said A. L. Smith (PC—Calgary West), they have never known things better. They were making more money than ever.

Mr. Smith interrupted a speech by Mr. Blackmore in which the latter said the beef producer is taking all the risk of ruin while the government does nothing. His plight was only one situation which demanded that the government grant subsidies to the provinces to strike a balance between costs and prices.

Beef was only one example of a situation that had reached the proportions of a monstrosity. While the producer faced ruin, while he was capable of producing far more beef, thousands of families were unable to buy meat and lived in "starvation" watching even the price of "lowly" hamburger rise beyond their means.

Side by side there existed producers who could produce far more of their goods and consumers who were unable to buy what they did produce or who bought them only in grave fear of rising prices.

This was the unstable situation when the odds were so 1 to 1 that war would come, that it would come like lightning and that it would come soon, perhaps in a few weeks.

Death Caused By Alcohol Empire Brass Visit Wells

Death of a youthful part-Indian girl in a downtown rooming-house this week was finally attributed to acute alcoholic poisoning by medical analysis, completing the autopsy yesterday afternoon.

A preliminary examination by Dr. S. Hanson showed large amounts of alcohol in the blood and urine. Dr. Ryke, believed to be 18.

"A microscopic analysis" which failed to establish any other possible cause of death, said Dr. Hanson.

The autopsy had been ordered by police when the cause of Miss Ryke's death in a third floor room of Dominion Rooms failed to turn up during their investigation. Room 304, Dawson street, 70, told police he found the woman lifeless on his bed when he returned home at 10 p.m., after leaving her alone for five hours.

Employment Up
WASHINGTON, Sept. 2.—(AP)—Employment in the United States jumped 113,000 in August to reach a record high of 62,807,000, Commerce Secretary Charles Sawyer said yesterday. It was the first time in 62 months that the mark had been reached.

Paralysis Worse
WIESENBAD, Germany, Sept. 2.—(AP)—The number of infantile paralysis cases in Western Germany rose to 1,153 during August from 1,041 in July. This has been more than twice as many cases as last year.

Russian Shifted
MOSCOW, Sept. 2.—(AP)—Lt. Gen. K. N. Derjyazkov, Russia's No. 1 representative on the Allied Council for Japan, was shifted to the Japanese side, it was announced yesterday.

ST. PAUL—Hamilton University has won winning basketball teams for 18 straight years, one of the longest on record.

Chinese Nationalists Prepare For Wide Reorganization

TAIPEI, Formosa, Sept. 2.—(AP)—A blueprint for a new way of life for the Chinese was published today by the Kuai-istang (Nationalist) Party "internal reform committee."

It said Chiang Kai-Shek's ruling Kuai-istang must be held morally and politically responsible for China's present crisis—the worst in her 5,000-year history.

The committee said "Kuai-istang must admit its mistakes and try to retrieve them by fighting the Communists and recovering the mainland from the Communists."

It must recognize that China has been the most popular agent of the Chinese Communist program.

2. Transfer of all government-operated light industries to private management; discontinue light capital

Eggs Hatched Inside Shirt
KNODDISHALL, Suffolk, Eng.—(CP)—Will Charter, 60, became a foster parent to two pleasant chicks while harvesting at a local farm. The mother pheasant was accidentally killed, leaving a nest of 11 unhatched eggs. Will put the eggs in his shirt and carried them home. On the way two chicks hatched. "I felt a few little pecks at my tummy," said Will. An obliging hen hatched out the other nine chicks.

Mexico Borrows
MEXICO CITY, Sept. 2.—(AP)—President Miguel Aleman said yesterday that Mexico has been granted a United States loan of \$100,000,000.

Red Anniversary
BERLIN, Sept. 2.—(Reuters)—East Germany yesterday celebrated the 11th anniversary of Germany's march into Poland as a "day of peace."
